

Siem Offshore extends charter contract

2009-07-28 10:00:00 by Rons_ROV_Links

SIEM OFFSHORE INC

Siem Offshore Inc and Five Oceans Services GmbH have agreed to extend the firm period of the current charter contract for the M/V *Siem Carrier* with an additional three years until November 2013 on current terms.

Five Oceans Services GmbH utilises the vessel for operation as a Cable Lay, ROV and Offshore Construction Support Vessel in their targeted areas Mediterranean, Red Sea, Persian Gulf and India.
