

Contract extension for MV Ocean Commander

2010-05-10 09:00:00 by Rons_ROV_Links

Siem Offshore and Adams Offshore have agreed to extend the firm period of the current charter contract for the *M/V Ocean Commander* with an additional six months until October 2010.

Adams Offshore utilises the vessel for operation as a Dive Support and Offshore Construction Support Vessel on a world wide basis.
