

Acergy S.A. awarded \$1.3 billion contract for deepwater development offshore West Africa

2010-09-08 04:08:33 by Rons_ROV_Links

Acergy S.A. announced today the award of a contract valued at approximately \$1.3 billion for the engineering, procurement, fabrication and installation of a significant deepwater development, offshore West Africa.

Engineering will commence with immediate effect with offshore installation scheduled to commence Q4 2012, using the *Acergy Borealis*, our new state of the art pipelay ship, the *Acergy Eagle* and *Acergy Legend*.
