

## Newbuilding Island Enforcer delivered and awarded two spot subsea contracts

2010-11-23 10:00:00 by Rons\_ROV\_Links

ISLAND OFFSHORE

Island Offshore took delivery of the *Island Enforcer* from Bergen Group, Lakevåg, on September 13th. The vessel will go straight to a spot charter to Norske Shell where the vessel will utilize the vessels subsea cranes and the brand new 200hp Schilling remote operated vehicles (WROV) at the Ormen Lange location.

Further the vessel has been contracted by Det Norske Oljeselskap through NeoDrill AS to perform pre-rig activity, consisting of installation of CAN (D:6m x H:12m -weight 80t) and conductor for at the Dovregubben field 6305/9-2, PL 468. The vessel is presently being marketed world wide for long term subsea construction work.
