

Award for Fugro in Australia

2012-01-09 13:53:32 by ginamc

FUGRO-TSM Pty Ltd, has been awarded the Greater Western Flank (GWF) Phase 1 Project Subsea Installation Contract from Woodside Energy Limited.

The contract value is in excess of AUD 100 million, with engineering and design work for the project beginning immediately, leading to a peak in offshore installation in early 2014 using the dynamically positioned multi-role vessel, the Southern Ocean.
