

Nexans concludes its acquisition of Intercond

2008-08-20 15:00:00 by Rons_ROV_Links

 Nexans, the worldwide leader in the cable industry, announces the closing of its acquisition of the Italian company Intercond, a leading European manufacturer of special cables, mainly for industrial equipment including subsea activities. This acquisition, announced on May 29, reinforces the Group's leadership in the fast-growing industrial cable activities.

The acquisition was realized for an Enterprise Value of 90 million euro.
